SAFETY DATA SHEET

Frasier Fir Surface Scrub

Issue Date 7/19/2022

Revision Date 7/19/2022

Section 1: Identification

Product Name	Frasier Fir Surface Scrub	Product Code	TT-052-01-162
Product Use	Home Hard Surface Scrub		181-35
Thymes		Emergency Phone Number (CHEMTREC)	
629 9th Street SE, Minneapolis, MN 55414		North America: 1-800-424-9300	
(800) 366-4071		Outside North America 01-703-527-3887	
		ONLY USE FOR CHEMICAL SPILL, FIRE, OR LEAK EMERGENCY	

Section 2: Hazards Identification

"Consumer Products", as defined by the US Consumer Product Safety Act and which are used as intended (typical consumer duration and frequency), are exempt from OSHA Hazard Communication Standard 929 CFR 1910.1200). This SDS is being provided as a courtesy to help assist in the safe handling and proper use of the product.

Classification Eye Irritation 2A
Skin sensitisation 1

Symbols

Signal Word Warning

Hazard Statements Causes serious eye irritation
May cause an allergic skin reaction

Precautionary If medical advice is needed, have product container or label at hand.

Statements Keep out of reach of children
Read label before use.
IF ON SKIN: Wash with plenty of soap and water.
If skin irritation or rash occurs: Get medical advice attention.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If eye irritation persists: Get medical advice / attention.
Wash contaminated clothing before reuse.
Wash hands thoroughly after handling.

General Caution Statements:

For adult and external use only. Avoid eye contact, if contact occurs, wash with water.

Section 3. Composition / Information on Ingredients

Name	CAS #	Weight percent
Calcium Carbonate	1317-65-3	20.00 - 35.00
Sodium Carbonate	497-19-8	1.00 - 5.00
Alcohol Ethoxylate	26183-52-8	<1.00
Alkoxylated Alcohol	27252-75-1	<1.00
Quaternary ammonium compounds, coco alkylbis (hydroxyethyl)methyl, ethoxylated, chlorides	61791-10-4	<0.05
Fragrance	Proprietary	1.00 - 5.00

Fragrance compound. The identity of the individual components of this mixture is proprietary information and is regarded to be a TRADE SECRET. The exact identity of the components is withheld in accordance with the provisions of 1910.1200 in Title 29 of the US code of Federal Regulations.

The specific chemical identity and/or exact percentage of this composition has been withheld as a trade secret.

Section 4. First Aid Measures

Eye Contact Flush immediately with cold water for at least 15 minutes. Remove contact lenses. Seek medical advice if symptoms persist or develop.

Skin Contact Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If symptoms persist, call a physician.

Ingestion No special requirements.

Inhalation No special requirements.

Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately

Section 5. Fire Fighting Measures

Flash Point

Extinguishing media Water, Carbon Dioxide (CO₂), Dry Chemical or foam.

Unusual fire and explosion hazard Avoid sources of ignition (e.g., sparks, open flames, heat)
Decomposition products released by fire should be considered toxic if inhaled.

Protective equipment As in any fire, wear self contained breathing apparatus pressure demand, MSHA/NIOSH (approved or equivalent and full protective gear.)

Section 6. Accidental Release Measures

Personal precautions Ensure adequate ventilation. In compliance with good manufacturing practices, do not eat, drink or smoke when handling chemical. Avoid inhalation, ingestion and contact with skin and eyes. Wear full protective clothing and self contained breathing apparatus. Remove all sources of ignition.

Method for containment Contain and collect spillage with non-combustible absorbent material and place in container for disposal according to local/national regulations (see Section 13)

Method for clean up Soak up with inert absorbent material. Prevent product from entering drains.
Sweep up and shovel into suitable containers for disposal

Section 7. Handling and Storage

Handling	Ensure adequate ventilation. In compliance with good manufacturing practices, do not eat, drink or smoke when handling chemicals
Storage	Keep containers tightly closed in a dry, cool and well-ventilated place. Keep away from direct sunlight. Keep away from heat and sources of ignition. Metal containers must be lined.

Avoid contact with skin, eyes and clothing
KEEP OUT OF REACH OF CHILDREN AND PETS

Section 8. Exposure Controls and Personal Protection

This is a consumer product that is safe to use under normal and reasonably foreseeable use. Engineering controls or personal protective equipment are not required for consumer use.

Engineering Measures	Showers, Eyewash stations, Ventilation systems.
Personal Protective Equipment	
Eye/Face	Safety glasses with side-shields. If splashes are likely to occur, wear Goggles Face-shield
Skin/Body	Lightweight protective clothing. Protective gloves.
Respiratory	None required under normal usage. When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.
Environmental exposure controls	Maintain levels below Community environmental protection thresholds
Hygiene measures	Handle in accordance with good industrial hygiene and safety practice

Section 9. Physical and Chemical Properties

Physical Appearance	Suspension	Relative Density	N/D
Color	Opaque Cream	Vapor Pressure	N/A
Odor	Pine	(mm Hg @ 20C)	
pH	8.5 - 9.5	Flashpoint	Should not flash
Boiling Point	N/D	Solubility in Water	partly soluble

Section 10. Stability and Reactivity

Stability	Stable under normal storage, handling, use and transportation.
Incompatible products	Do not mix with bleach or any other household cleaners
Conditions to Avoid	Heat, flames and sparks. Extremes of temperature and direct sunlight.
Hazardous Decomposition Products	Thermal decomposition can lead to release of irritatin gases and vapors.

Hazardous Polymerization Will not occur under normal circumstances.

Section 11. Toxicological Information

Ethyl Alcohol

Acute toxicity	LD50 oral	>5000 mg/kg
	LD50 Dermal	>5000 mg/kg
	LC50 Inhalation	> 10 mg/L
Chronic toxicity	Data conclusive, not sufficient for classification	
Carcinogenicity	Data conclusive, not sufficient for classification	
Target Organ Effects	May be irritating to skin, eyes, mucous membrane, and respiratory system.	

Section 12. Ecological Information

Ecological toxicity - general	Data is not available
The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging materials are compatible with conventional solid waste mgmt. practices.	

Section 13. Disposal Considerations

Dispose Dispose according to local, state and federal regulations.
Avoid sources of ignition. Don not allow to get into waste water or waterways.

Consumer may discrd empty container in trash, or recycle where facilities exist.

Section 14. Transport Information

<u>Shipment</u>	<u>Identification Number</u>	<u>Proper Shipping Name</u>	<u>Hazardous Classification</u>	<u>Packaging Group</u>
US DOT	Not classified as dangerous in the meaning of transport regulations			
IATA (air)	Not classified as dangerous in the meaning of transport regulations			
IMDG (vessel)	Not classified as dangerous in the meaning of transport regulations			

Section 15. Regulatory Information

All materials used in this formulation are contained on the following lists:

Toxic Substances Control Act (TSCA) OR excluded from listing

Domestic Substances List (DSL)- Canada

European Inventory of Existing Chemical Substances (EINECS)

California Prop 65 This product is not subject to warning labeling

RIFM / IFRA Fragrance mixture complies.

Section 16. Other Information

The information documented in this SDS has been obtained from current and reliable sources, however it is provided without any warranty, expressed or implied, about its correctness or accuracy. Since the use, handling, storage and disposal of this is beyond the control of Thymes, it becomes the responsibility of the user to determine safe conditions for the use of this product and to assume liability for loss, damage, or expense resulting from the product's improper use. Federal, State, and Municipal government agencies may have specific regulations concerning the use, storage, handling, transportations, and disposal of this product which may not be encompassed in this SDS. The user should review such regulations and comply accordingly.
